## **PRECISION DISC MANUFACTURING CORP - STANDARD TERMS OF BUSINESS**

Submission of this Order Form constitutes an agreement for services between Precision Disc Manufacturing Corp. and the customer as identified on Page 1 and/or signatory as identified on Page 3 of this Document (herein referred to as the "Customer"). Once placed, all orders are final.

The Customer acknowledges that production assets must be supplied in final form (ie: ready-to-manufacture as supplied) and that the following assets must be supplied to Precision Disc's specifications and requirements prior to an order commencing: (1) Content master and a back-up copy. (2) Electronic artwork files. (3) IRMA Intellectual Property Rights (IPR) Form. (4) Signed/dated Precision Disc Order Form, or your detailed company purchase order. (5) Minimum 50% downpayment (unless credit terms have been approved in advance). (6) Complete shipping details. The Customer acknowledges that a delay in providing production assets as per Precision Disc's specifications and requirements will delay the start date for the order and, in turn, all product ready-by-dates agreed upon (whether written or verbally communicated) may be delayed. Order placement deadline is 12:00 (noon) Pacific Time on any regular business day.

**Terms Of Payment:** All prices are in Canadian or U.S. currency as noted on your quotation or price matrix and applicable tax is extra. The Customer agrees to pay a minimum downpayment of 50% (fifty percent) in advance of Precision Disc starting any order, unless other arrangements are made with Precision Disc in advance and in writing. In all cases except where written credit terms are granted by Precision Disc to the Customer, 100% (one hundred percent) of the amounts owing must be paid in full prior to Precision Disc prior to the release or delivery of the order (in whole or in part) to the Customer.

Payment can be made via Cash, Money Order, Cashier's Cheque, Company Cheque, Visa, Mastercard, or American Express. Precision Disc may terminate this agreement or suspend delivery if the Customer fails to make payment required under this agreement. Any amounts outstanding after its due date shall incur daily interest at the rate of two percent (2%) per month, twenty-four percent (24%) per annum. Notwithstanding any other term in this agreement, Precision Disc may choose at any time and at its sole discretion to decline to make any shipment or delivery or perform any work unless payment is received in full. The Customer agrees to pay all costs, fees, changes or expenses of every nature (expressly including reasonable legal fees) incurred by Precision Disc in recovering overdue payments.

**Supply Of Product:** It is considered fair business practice to supply and invoice for a small percentage (not exceeding 5% depending on the quantity of product ordered) of product overage. The final invoice will reflect the exact quantity provided to the Customer, and the Customer agrees to pay for the same.

Every effort will be made to fill orders within the time-line quoted at the outset of the project, however, ready-by-dates (whether written, oral, or implied) are not guaranteed. Though uncommon, unforeseen delays can occur and Precision Disc Manufacturing Corp. does not assume responsibility for any damages growing out of or owing to any delays. Precision Disc highly recommends that product related releases, events, or performances are not scheduled until the product is in the client's possession and meets with their approval.

Unless otherwise specified in writing, all quotations are F.O.B. our office in Surrey, B.C. Canada (shipping is extra). Precision Disc has no control over product after it has left our premises and is not responsible for loss, damage or delay of products after it has left our premises.

**Intellectual Property Representations & Warranties:** The Customer hereby grants to Precision Disc non-exclusive license to manufacture the product from the master recordings provided, and to use any related photographs, biographical material, label data, designs, artwork, or any other materials provided to Precision Disc hereunder by the Customer, for that purpose.

The Customer represents and warrants that it is either (A) the true and rightful owner of, or (B) the possessor of legally enforceable worldwide licensing and/or right, for all aspects of intellectual property pertaining to their order which is inclusive of disc content and graphic design content. The Customer agrees to indemnify, defend, protect and hold harmless Precision Disc and its subsidiaries and their respective officers, directors, agents, affiliates, distributors, franchisees and employees (collectively "Indemnified Parties") against any and all liabilities, losses, claims, damages, actions, investigations, and legal proceedings of any kind, from any party, arising out of the Customer's rights, or lack thereof, to the use of the intellectual property or any aspect of the contents of their order.

**Limited Warranty Policy:** Precision Disc Manufacturing Corp. warrants that our products will be free from manufacturing defects, or the defective products will be repaired or replaced as per the definitions and guidelines noted in Precision Disc's Limited Warranty Policy which is available from Precision Disc upon request or via the company website.

Defective product must be reported to Precision Disc no later than 14 calendar days after the product has either [A] been received by the client, or [B] reached its shipping destination, or Precision Disc will be deemed to be released from any and all liability. Precision Disc's liability for defective product is limited solely to product replacement or repair, as the case may be, and shall not extend to any further liabilities whatsoever. The forgoing warranties are exclusive and are in lieu of all other warranties (whether written, oral, or implied) including warranty of merchantability in other respects than expressly set forth above.

**Force Majeure:** Neither party shall be liable for its failure to perform here under due to any contingency beyond its reasonable control, including, without limitation, delays by subcontractors or suppliers. The party whose performance is prevented by such contingency shall have the right to omit during the period of such contingency. All or any portion of the quantity deliverable during such period, whereupon the total quantity deliverable under this Agreement shall be reduced by the quantity so omitted. If, due to any such occurrence, Precision Disc is unable to supply to total demands for any Product specified in this agreement, Precision Disc shall have the right to allocate its available supply among its Customers in a fair and equitable manner.

**No Modification:** These Terms and Conditions may not be modified orally, no waiver amendment or modification shall be binding or effective unless in writing and signed by the party to be bound.
