

ROCPRO 850

3.5" Desktop and mobile Hard Drives
eSATA, FireWire 800, FireWire 400 and USB Ports

The new generation of Rocpro external SATA Hard Drives delivers extraordinary performance and reliability for both Mac and PC users. Specifically designed for demanding audio/video professionals; the new Rocpro 850 contains a fast SATA high capacity 3.5" drive mechanism in a stylish and unique aluminum case that can be stacked or mounted vertically. With its built-in power supply, fan-less and quiet operation the Rocpro 850 can be easily moved from one desktop environment to another using the provided carrying case.

GROUNDBREAKING DESIGN

Sophisticated users will appreciate the ROCPRO 850's innovative design, feel, quality and features. A combination of ports, eSATA, FireWire 800 (1394b IEEE), FireWire 400 (1394a IEEE) and High Speed USB 2.0, make this device one of the most versatile drives in the market today. For extra flexibility, an optional cable can connect the FireWire 800 port to any FireWire 400 (1394a IEEE) port in any Mac or PC.

The anti-shock chamber and shock-absorbent casing protect the drive against impact damage and accidental drops and bumps to prolong product life and protect data integrity. The wide array of ports ensures maximum compatibility regardless of the type of computer or operating system in use.

WIDE RANGE OF APPLICATIONS

Operating with Mac OS, Linux® and Windows®, this external drive offers storage capacities ranging from 500GB to 2TB as well as "plug-and-play" capability. Users can quickly archive or back up valuable data, large video files and digital photo collections. The bootable feature allows the user to boot, access and operate all programs and data via any other computer under the same OS environment.

IDEAL FOR HIGH END AUDIO AND VIDEO PROFESSIONALS

The Internal power supply, free carrying case, high storage capacity, and fast SATA port, the Rocpro 850 is ideal for audio and video professionals. Start a project at the office or studio, and finish it someplace else knowing that all the files you need are with you.

Add in the bootable feature, and that makes the Rocpro 850 one of the most versatile drives on the market today. Feel confident that no matter where you are, the files you need are always available
